FOIA Request

Dear Mr. Hardy:

This is a request for information under the Freedom of Information Act, 5 U.S.C. § 552 made on behalf of [REDACTED] the Religious Action League.

[REDACTED] seek all information concerning James Connor Mulligan (aka Jim or Jimmy Mulligan). Mr. Mulligan was born on October 9, 1939 and died on June 2, 1997. Evidence of his death can be located at <http://death-records.mooseroots.com/V/153869150/James-C-Mulligan>. Mr. Mulligan's social security number was 451-56-7468.

[REDACTED] seeks records from 1970 to 1985. Please search all "main" files and "see references," including but not limited to numbered and lettered subfiles, 1A envelopes, Enclosures, behind files (EBFs), Bulky Exhibits, control files, and "JUNE" files, ELSUR files and any other possible area where the records may be maintained currently by the FBI. Please also search, "DO NOT FILE" files, SAC safes, special file rooms, and offices of FBI officials, and informant files. (Mr. Mulligan claimed he was working with the FBI while a member of the Church of Scientology, according to a report of a church staff member.) Please place any "missing" files pertaining to this request on "special locate" and advise me that you have done this.

Further, please produce all records with the administrative markings and all reports to include the administrative pages.

This request seeks a fee waiver as this request is in the public interest due to Mr. Mulligan's highly publicized role as an unindicted co-conspirator in the infiltration of government offices in the 1970s by members of the Church of Scientology's Guardian's Office. Mr. Mulligan was a very prominent figure within the church during that time period, served as the personal assistant (aka "Controller Aid for Information") to Scientology's Controller, Mary Sue Hubbard (wife of the organization's founder).
